Y612 Family Free Alcohol Event

It's the 4th Anniversary of the now famous (infamous?) Family Free Alcohol Event! We'll celebrate by having a few drinks (all provided of course, along with heavy finger foods) and reminisce about the great times we had at the other three (who can remember?). And if for some reason you weren't at the other three, WHY NOT, WHAT COULD YOU POSSIBLY HAVE BEEN DOING THAT WAS MORE FUN?? Oh well, it doesn't matter, you can just have a few more drinks and pretend you were there...

Let's celebrate our independence together! Join us for a good old American* barbeque starting around 5ish in our backyard. Take that England! No offense Graham!) And for those that are so inclined we can take a good old American* walk over to see the good old American* fireworks at Ida Lee after the sun goes down (It's about a 1.4 mile walk, so we would be happy to drive those who can't walk the distance!)

DATE: 10/8/2011

You don't have to be a U of MD grad for this, but it helps. All food and drink for this event will be from local sources. We'll start with grilled appetizers, local beer, wine and spirits from Catoctin Creek (Loudoun's first distillery since prohibition!). Dinner will include grilled chicken, pulled pork BBQ, BBQ beans, and Carolina style slaw (no mayo). Dessert is a surprise! After dinner, we'll play a short round of Terpopoly - think Monopoly based in College Park, MD, instead of Atlantic City. Because this is Columbus Day Weekend we may also sing some Columbus Day Carols!

Whether it was as recent as a year ago, 50 years ago, or if you were too absorbed in your studies to enjoy it (or didn't go at all) take a trip back to college with a night of pizza, music, and lots of beer! This is intended to be a party worthy of 21 year olds! Games will include beer pong (or Beruit if you're from New England), flip cup, kings cup, and/or many other party games!

It's a party for the sake of a party! We are proud owners of a HAND MADE Boston Red Sox pong table and we love to use it! So bring yourself and anyone over 21 and enjoy a night of letting loose and NOT acting your age.

Y624 Pet Sitting

Do you have animals that need to be taken care of but YOU really really want to go on a vacation? Or do you just have a week where you'd like some time to yourself? Well I've got a deal for you! I will happily take your animal off your hands. Whether its 5 days straight or 5 individual days spread out over time, I will take your dog for a walk, play chase the mysterious red dot with your cat, feed your goldfish, collect your ostrich eggs, etc.

Available whenever you need, only "sometimes" at the last minute. Arrangements at least a week in advance are preferred.

If you want me to come to your house, I can. If you want them to come to my house, that's fine too! (Except the ostriches...probably.)
